## Dry Camping Policies & Code of Conduct

St. Andrew's By-The-Lake (Strata KAS-180) permits RV overnight "dry camping" on their five (5) designated lots under the following policies and code of conduct. Dry camping means camping without the use of external hookups for electricity, water supply or waste disposal.

**Thank you for your adherence to the following policies. Enjoy your stay!**

1. Availability is on a first come, first served basis. Maximum seven night stay.
2. We will reserve an RV spot on the dates requested, if available, but the spot must be reserved by a credit card. 24 hour notice is required for cancellations, otherwise one night's stay will be charged.
3. Registration and payments are to be made at the Pro Shop. Parking spaces will be designated by the Pro Shop.
4. Cost is \$25.00/night (including GST).
5. Please obey all posted signs.
6. The speed limit is 30 km throughout the entire community.
7. Dogs are permitted but must be on a leash. Owners must pick up after their dogs.
8. Use of the tennis courts is permissible, however, at your own risk.
9. Use of any of our facilities, including the RV parking lot, is at your own risk.
10. No tenting.
11. No campfires. Please do not throw cigarette butts on the ground. Every summer, B.C. communities are devastated by wildfires, many caused by humans. Propane cookstoves and firepits may be used.
12. Quiet hours are between 10 PM and 7 AM (including use of generators).
13. Please be advised that there may be some noise coming from the maintenance shed.
14. We live in bear country. Bears are attracted to garbage so please keep all food and garbage inside your trailer. Please take all your trash and disposables with you and leave your spot clean for the next RV.
15. Check-out is at 12:00 noon.
